**Yacht Business Dubai - ART MARINE** - Another one of my stops in Dubai was with ART MARINE at the Dubai International Boat Show. ART MARINE is a 360-degree yacht service provider in the region as well as the largest dealer in the Middle East of the Italian Ferretti Group, one of the world leaders in the design, construction and sale of luxury motor yachts.

The reasons for ART MARINE's success and continual expansion are clear: Fast response times as well as an exceedingly friendly and uncomplicated approach regardless of which service is needed. First-class technicians are always on-site attending to you especially when time is of the essence. Of course, ART MARINE also has a large selection of yachts.

ART MARINE continuously strives to provide its clients with world-class products, state-of-the-art facilities and personalised services

So I had plenty of time to check out the brand-new FY550 from the Ferretti Group, one of the yachts that ART MARINE is an exclusive dealer of. This elegant motor yacht is simply incredible - I can warmly recommend it to any yacht connoisseur. I think now is the perfect time to do business with super yachts of over 40m as the number of ultra high net worth individuals, who love Ferretti yachts, grows. I think this is where ART MARINE excels.

As I have learned from well informed circles, ART MARINE finished this year's international Boat Show with one of the best results. ART MARINE has on the ground operations in Dubai, Abu Dhabi, Bahrain, Oman, Qatar and Egypt.
